Dear

Recent economic conditions have had many of us on edge, especially when it comes to our retirement accounts. Your retirement savings may have experienced loss from poor market performance or might only be receiving minimal interest in a low-yielding product. I want you to know there are other options when it comes to choosing a product for your retirement.

Safe ReturnSM is a **new** fixed-indexed annuity with competitive benefits that can help bring security for your retirement. Some of the benefits available to you with Safe Return include:

- ★ Return of premium guarantee;
- ★ Bailout feature that protects your opportunity for growth;
- ★ Tax-deferred growth; and
- ★ Opportunity for guaranteed lifetime income.

Safe Return could be the answer to your retirement concerns. **Contact me today to set up a complimentary review of your retirement plan** and discover how Safe Return can help you achieve your financial goals.

Sincerely,

Modified single premium fixed-indexed annuity issued by Great American Life Insurance Company[®] under contract form number P1074509NW and rider form number R1417507NW. Contract and rider form numbers may vary by state. Product not available in all states. Bailout feature available on indexed strategies. Lifetime income available when contract is annuitized.
